Born and raised on the beautiful Sunshine Coast Dan Hawes's outgoing spirit took him on a 12 year overseas adventure incorporating over 40 countries, backpacking Asia, camper vanning Europe, riding his motorbike through Latin America, foster parenting special needs children in the US and even living in Inuit communities in the high Arctic of Canada.

Living, working, travelling and experiencing different cultures and ways of life have given him a true understanding of people as well as life around the world.

He and his wife Claudia returned home to the Sunshine Coast 6 years ago and he has been selling real estate ever since. When asked what brought him back to the Sunshine Coast, he said "In all of my travels I have been privileged to see many walks of life. Although there are many beautiful places on earth, the Sunshine Coast is definitely one of them! I have always loved the Coast, I can't think of a better place on Earth to raise a family, we are truly lucky to call this amazing place home!" Dan has a four year old Son, Shayden, and a 2 year old Daughter, Kiyana, who he utterly adores.

When asked why he chose a career in real estate his response was simple "I love interacting with people, negotiating and getting the best outcome for my vendors time and time again. I believe honesty and a true desire to help people is the secret to success".

With real estate in his blood and passion in his eye, Dan has the attention to detail and proven successes that will get you top dollar for your property!

Backed by First National Real Estate Coastal, Dan is committed to providing you with the highest level of service to ensure you are happy in every way!
